

The logo for Cape Ann Camp Site is a circular emblem. At the top, a semi-circle contains a row of white stars against a dark blue background. Below this, a large orange and yellow sun with radiating lines is positioned over a body of water represented by horizontal blue and white stripes. On the left, a green tent is pitched on a grassy shore. In the center, two wooden rocking chairs sit on the grass. On the right, a white vintage-style camper with orange and blue stripes is parked. The bottom half of the logo features the text "CAPE ANN" in large, bold, dark blue capital letters, with "CAMP SITE" in smaller, bold, dark blue capital letters directly beneath it. At the very bottom, in a smaller font, is "Est. 1949".
